

## THE BRITANNIQUE 5\*, Curio Collection by Hilton Naples – CAMPANIA Region

### Location

Naples is thousands colors.... this is what a popular song in Italy says. Naples is one of the largest and most captivating art cities on the Mediterranean Sea. Capital of the Region of Campania, it is the third-largest commune in Italy after Rome and Milan. The city dominates the Gulf of Naples, expanding from the Sorrentine Peninsula to the volcanic area of the Phlegraean Fields. It offers an extremely evocative vista of not only the imposing Vesuvian mount but also the three magnificent islands of Capri, Ischia and Procida – three jewels that rise like Venus from the sea. Besides its gorgeous scenery, Naples owes its much-deserved fame to the charm and intrigue of its historic center – a historic center that counts 2500 years of a fascinating existence, and that was therefore added to the UNESCO World Heritage List in 1995. Naples is this and much more: incredible food traditions (two of the most iconic Italian delicacies are from here: pasta and pizza), breathtaking scenarios and surroundings, warm hospitality, incredible monuments, museums and archeological sites.
